SSC Bluetooth® module Flow

For wireless parameterisation of the SSC-capable SCHELL MONTUS Flow concealed cistern. Access via SSC Bluetooth® app (can be downloaded from App Store, Play Store) and mobile Android or iOS devices. The module enables stagnation flushes according to days of the week and time. The last 64 stagnation flushes are stored and can be accessed via the app. This data can also be sent/exported via email as a CSV file if required. Access to the SSC Bluetooth® module is protected by an access code that can be changed individually.

Scope of delivery

- SSC Bluetooth® module
 - Integrated rechargeable battery for date/time reserve power

Technical data

- Wireless standard: Bluetooth® SMART
- Frequency band: 2,4 GHz
- Max. Range: 10 m (depending on installation site and building materials)

Delivery data

- Weight: 0,16 kg/Piece
- Packing unit: 1
