DECLARATION OF CONFORMITY

regarding the hygienic suitability of products in contact with drinking water

in accordance with the German Drinking Water Ordinance (TrinkwV 2023) and the so-called positive list of the German Environment Agency ("Metal Evaluation Basis")

Dear Sir or Madam,

We hereby declare that the products distributed by **SCHELL GmbH & Co. KG** comply with the generally accepted technical standards and are designed, dimensioned, and manufactured in accordance with these standards.

This declaration expressly includes the requirements regarding the use of materials in contact with drinking water, as defined in the German Drinking Water Ordinance (TrinkwV 2023) in its current version.

The material we use comply with the current version of the evaluation criteria for metallic materials, as well as the evaluation criteria for plastics and other organic materials in contact with drinking water issued by the German Environment Agency (Umweltbundesamt).

Any amendments or updates to the applicable version are continuously monitored by us. Necessary measures are reviewed and implemented accordingly and without delay.

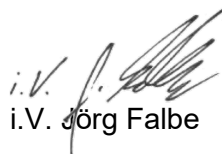

Yours sincerely,

Schell GmbH & Co. KG
